

7. Referências Bibliográficas

7.1 Livros e Periódicos

[Alis99]	Croll, A.; Packman, E.; "Managing Bandwidth - Deploying QoS in Enterprise Networks", Prentice Hall, ISBN: 0-13-011391-3, http://www.phptr.com , 1999
[Dav98]	Davie, B.; Doolan, P.; Rekhter, Y.; "Switching in IP Networks - IP Switching, Tar Switching & Related Technologies"; Morgan Kaufmann Publishers; ISBN: 1-55860-505-3; www.mkp.com , 1998.
[EINE99]	"II Escola de Informática da SBC - Edição Nordeste", Anais, Novembro 1999.
[Fen99]	Feng, Wu-chang; "Improving Internet Congestion Control and Queue Management Algorithms"; Dissertation of PHD in the University of Michigan, 1999.
[Fer98]	Ferguson, P.; Huston, G.; "Quality of Service - Delivering QoS on the Internet and in Corporate Networks", Wiley Computer Publishing, ISBN: 0-471-24358-2, 1998.
[New96]	Newman, P.; Minshall, G.; Lyon, T.; Huston, L.; "IP Switching and Gigabit Routers", IEEE Communications Magazine, January 1997.
[Tan96]	Tanenbaum, Andrew S.; "Computer Networks", Third Edition, Prentice Hall, ISBN: 0-13-349945-6, 1996.
[Raj91]	Jain, Raj; "The Art of Computer Systems Performance Analysis Techniques for Experimental Design, Measurement, Simulation and Modeling"; John Wiley & Sons Inc., ISBN: 0-471-50336-3, 1998. http://www.cis.ohio-state.edu/~jain

7.2 Request for Comment (RFCs) e Internet Drafts

-
- | | |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| [RFC2664] | Plizak, R.; Wells, A.; Krol, E.; "FYI on Questions and Answers – Answers to Commonly Asked 'New Internet User' Questions"; RFC2664, August 1999. |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
-
- | | |
|------------------|--------------------------------------------------------------------------------------------|
| [RFC2598] | Jacobson, V.; Nichols, K.; Poduri, K. ; "An Expedited Forwarding PHB"; RFC2598, June 1999. |
|------------------|--------------------------------------------------------------------------------------------|
-
- | | |
|------------------|---------------------------------------------------------------------------------------------------------|
| [RFC2597] | Heinanen, J.; Baker, F.; Weiss, W.; Wroclawski, J.; "Assured Forwarding PHB Group", RFC2597, June 1999. |
|------------------|---------------------------------------------------------------------------------------------------------|
-
- | | |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| [RFC2475] | Blake, S.; Black, D.; Carlson, M.; Davies, E.; Wang, Z.; Weiss, W.; "An Architecture for Differentiated Services", RFC2475, December 1998 |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
-
- | | |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| [RFC2386] | Crawley, E.; Nair, R.; Rajagopalan, B.; Sandick, H.; "A Framework for QoS-based Routing in the Internet", RFC2386, August 1998 |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
-
- | | |
|------------------|-----------------------------------------------------------------------------------------|
| [RFC2210] | J. Wroclawski; "The Use of RSVP with IETF Integrated Services"; RFC2210, September 1997 |
|------------------|-----------------------------------------------------------------------------------------|
-
- | | |
|------------------|--------------------------------------------------------------------------------------------------------------------|
| [RFC2205] | Braden, R.; Zhang, L.; Berson, S.; Herzog, S.; Jamin, S.; "Resource Reservation Protocol", RFC2205, September 1997 |
|------------------|--------------------------------------------------------------------------------------------------------------------|
-
- | | |
|------------------|-------------------------------------------------------------------------------------------------------------------------|
| [RFC1633] | Braden, R.; Clark, D.; Shenker, S.; "Integrated Services in the Internet Architecture: an Overview", RFC1633, June 1994 |
|------------------|-------------------------------------------------------------------------------------------------------------------------|
-
- | | |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| [Ber99] | Bernet, Y.; Yavatkar, R.; Ford, P.; Baker, F.; Zhang, L.; Speer, M.; Braden, R.; Davie, B.; Wroclawski, J.; Felstaine, E.; "A Framework For Integrated Services Operation Over DiffServ Networks"; draft-ietf-issll-diffserv-rsvp-03.txt; September 1999. |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
-
- | | |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------|
| [Bles99] | Bless, R.; Wehrle, K.; "IP Multicast in Differentiated Services Networks"; draft-bless-diffserv-multicast-00.txt; September 1999 |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------|
